2017

Welcome back to School!

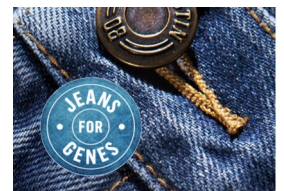

Welcome back – The children have settled really well into their new classes are already learning lots. Class topic letters and year group newsletters will also be sent out in the next couple of days, to give you ideas on how you can support your child's learning at home. We do our best to ensure all letters are also put on the school website. Please check the class pages and the diary/ calendar tab to see term dates and events regularly.

Attendance and Lateness

The main school front gate is now locked at 9.05am For access to the school after this time you need to buzz the smaller front gate to be let in. This makes our school site completely enclosed. To get out again there is a green button on the right hand side before you reach the gate. Please bear with us if no one answers the buzzer immediately. It would be really helpful if all children arrived on time. We are tracking attendance very closely this year.

Jeans for Genes

Next Friday 22nd September is Mufti day to raise money for Jeans for genes. Children may wear jeans for the day in exchange for a donation to this charity event.

Nurture News

Our Nest is now up and running. The children have been learning about their new environment and have been very busy completing Maths and English assessments. They have also been busy completing practical challenges and baking. The children were excited to show their adults around on Thursday afternoon.
